Malik Adam Mouloud

Designer,
Webmaster
And
Developer Web Freelance

My profile in a few words

Self-taught in the soul, I specialized in the creation of websites, as well as all webMarketing surrounding development a commercial and / or editorial activity.

Rigorous and autonomous, I spend my days and my nights to hone my skills of Web developer.

Motivated by this need to always acquire more new knowledge and skills, I take pleasure in meeting new challenges!
